CHILD SAFETY POLICY

May 2017

Parish Priest
Fr Brendan Reed

Date of policy: May 2017
Date of last major review: N/A
Date of next major review: February 2018

1. Introduction

At *Deepdene & Balwyn and Camberwell Parishes* we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our parish. Our commitment is drawn from and inherent in the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel (*Catholic Archdiocese of Melbourne: Commitment Statement to Child Safety*).

The Church's social doctrine constantly points out the need to respect the dignity of children. 'In the family, which is a community of persons, special attention must be devoted to the children by developing a profound esteem for their personal dignity, and a great respect and generous concern for their rights. Indeed it was Jesus who, when his disciples were arguing among themselves about who was the greatest, directed his attention to a little child and said to his disciples, *'Whoever welcomes one such child in my name welcomes me, and whoever welcomes me welcomes not me but the one who sent me'* (Mark 9.37).

2. Purpose of the policy

The purpose of this policy is to demonstrate the strong commitment of *Deepdene & Balwyn and Camberwell Parishes* to the care, safety and wellbeing of all children in our parish. It provides an outline of the policies, procedures and strategies developed to keep children safe from harm, including all forms of abuse in our parish environment, on site, online and in other locations used by the parish.

This policy applies to all parish personnel, including parish employees, volunteers, contractors and clergy.

3. Principles

The Catholic Church has a moral, legal and mission-driven responsibility to create nurturing environments where children and young people are respected, their voices are heard and they are safe and feel safe (*CAM Commitment Statement to Child Safety*).

The following principles underpin our commitment to child safety at *Deepdene & Balwyn and Camberwell Parishes*:

- Our parishes have zero tolerance of child abuse.
- All children are entitled to, as a fundamental right, safety and protection from all forms of abuse and neglect.
- Our parishes work in partnership with families and the community to ensure that they are engaged in decision-making processes, particularly those that have an impact on child safety and protection.
- All adults in our parishes, including staff, clergy, volunteers, parishioners and contractors have a responsibility to care for children and young people, to positively promote their wellbeing and to protect them from any kind of harm or abuse.

- The policies, guidelines and codes of conduct for the care, wellbeing and protection of children are based on honest, respectful and trusting relationships between adults and children and young people.
- All persons involved in situations where harm is suspected or disclosed must be treated with sensitivity, dignity and respect.
- Staff, clergy, volunteers, parents, parishioners including children and contractors should be free to raise concerns about child safety, knowing these will be taken seriously by the parish leadership.
- Appropriate confidentiality will be maintained, with information being provided to those who have a right or a need to be informed, either legally or pastorally.

4. Definitions

Child: A person below the age of 18 years unless, under the law applicable to the child, majority is attained earlier.

Child abuse includes:

- (a) any act committed against a child involving:
 - (i) a sexual offence
 - (ii) an offence under section 49B(2) of the **Crimes Act 1958** (grooming)
- (b) the infliction, on a child, of:
 - (i) physical violence
 - (ii) serious emotional or psychological harm
- (c) serious neglect of a child.

Child safety encompasses matters related to protecting all children from child abuse, managing the risk of child abuse, providing support to a child at risk of child abuse, and responding to incidents or allegations of child abuse.

Child neglect: The failure by a parent or caregiver to provide a child (where they are in a position to do so) with the conditions that are culturally accepted as being essential for their physical and emotional development and wellbeing.

Child physical abuse: Generally, child physical abuse refers to the non-accidental use of physical force against a child that results in harm to the child. Physically abusive behaviours including shoving, hitting, slapping, shaking, throwing, punching, kicking, biting, burning, strangling and poisoning. The fabrication or induction of an illness by a parent or carer (previously known as Munchausen syndrome by proxy) is also included in this definition of “Child physical abuse”.

Child protection: Statutory services designed to protect children who are at risk of serious harm.

Child sexual abuse: Any sexual activity between a child under the age of consent (16) and an adult or older person (i.e. a person five or more years older than the victim) is child sexual abuse.

Child sexual abuse can also be:

- any sexual behaviour between a child and an adult in a position of power or authority over them; the age of consent laws do not apply in such instances due to the strong imbalance of power that exists between young people and authority figures, as well as the breaching of both personal and public trust that occurs when professional boundaries are violated;
- any sexual behaviour between a child and an adult family member, regardless of issues of consent, equality or coercion;
- sexual activity between peers that is non-consensual or involves the use of power or coercion;
- Non-consensual sexual activity between minors (e.g. a 14-year old and an 11-year old), or any sexual behaviour between a child and another child or adolescent who, due to their age or stage of development, is in a position of power, trust or responsibility over the victim. Sexual activity between adolescents at a similar developmental level is not intended to be included in this definition of “Child sexual abuse”.

Mandatory Reporting: The legal requirement to report suspected cases of child abuse and neglect is known as mandatory reporting. Mandatory persons include teachers, nurses, police, psychologists, psychiatrists and medical practitioners.

Reasonable Belief: When an adult is concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a ‘reasonable belief’. A ‘reasonable belief’ or a ‘belief on reasonable grounds’ is not the same as having proof but is more than mere rumour or speculation. A ‘reasonable belief’ is formed if a reasonable person in the same position would have formed the belief on the same grounds.

7. Expectations of our Parish Staff – Child Safety Code of Conduct

At Deepdene & Balwyn and Camberwell Parishes, we expect parish staff to proactively ensure the safety of children at all times and to take appropriate action if there are concerns about the safety of any child in the parish environment. All staff must remain familiar with the relevant laws, the code of conduct, and policies and procedures in relation to child protection and comply with all requirements. We have developed a Child Safety Code of Conduct, which recognises the critical role that staff play in protecting the children in our care and establishes clear expectations of staff for appropriate behaviour with children in order to safeguard them against abuse and or neglect.

Our Code also protects parish personnel through clarification of acceptable and unacceptable behaviour.

8. Child Safety and Participation

At Deepdene & Balwyn and Camberwell Parishes, we actively encourage all children to openly express their views and feel comfortable about giving voice to the things that are important to them.

We discuss with our children what they can do if they feel unsafe and enable them to understand, identify, discuss and report on child safety. We listen to and act on any concerns children or their parents or carers, raise with us.

Reporting and Responding

Our parishes record any child safety complaints, disclosures or breaches of the Child Safety Code of Conduct and stores the records in accordance with security and privacy requirements. Our parishes comply with legal obligations that relate to managing the risk of

child abuse under the *Children, Youth and Families Act 2005* (Vic.), the *Crimes Act 1958* (Vic.) and the recommendations of the *Betrayal of Trust* report.

Our parishes' **Child Protection – Reporting** (to be finalised), sets out the actions required under the relevant legislation when there is a reasonable belief that a child in our parish environment is in need of protection or a criminal offence has been committed, and provides guidance and procedures on how to make a report.

We work to ensure all children, families and staff know what to do and who to tell if they observe abuse or are a victim, or if they notice inappropriate behaviour.

Our parishes have established internal processes to ensure that appropriate action is taken to respond to concerns about the wellbeing and/or safety of children. Catholic parishes in the Archdiocese of Melbourne follow the protocols outlined in the *May our children flourish*, Code of Conduct for Caring for Children, Catholic Archdiocese of Melbourne.

The Child Safety Team plays an essential role in ensuring that our parishes are child safe parishes. Staff and parishioners with concerns about the wellbeing and/or safety of a child can seek advice from a Child Safety Officer and/or the Parish Priest, who can assist you to decide if it is necessary to make a report. If your concern is about the Parish Priest, you are advised to contact the Vicar General in the Archdiocese of Melbourne.

Add details of your parish's internal reporting processes, including information about whom to approach and steps to take when employees, staff or parishioners have a concern. This may include reporting to a Child Safety staff, volunteers, parents or children in relation to child safety.

Our complaints and disclosure processes are outlined and detailed in the following policies and procedures:

Relevant Legislation

Crimes Act 1958 (Vic.) – Three new criminal offences have been introduced under this Act.

- (b) **Failure to protect offence:** The offence will apply where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit an offence if they know of the risk, but negligently fail to reduce or remove it.
- (c) **Grooming offence:** This offence targets predatory conduct designed to facilitate later sexual activity with a child. Grooming can be conducted in person or online, for example via interaction through social media, web forums and emails.
